Quality Policy Statement

Boss Fabrication Ltd recognises it has a responsibility to manage the quality of the products and services it provides to all Customers. The management team recognise that ensuring and maintaining the quality of the work and services provided by the company is critical to the long-term future of the company. In order to achieve this the company will:

Implement, operate, maintain, review and improve a Quality Management System in accordance with BS EN ISO 9001:2015 to assist with the management of quality matters.

The Company, so far as is reasonably practicable, proposes in particular:

- To ensure adequate resources for the Quality Management System requirement
- To plan for quality requirements in all existing and future activities of the Company to ensure compliance with contractual and legal requirements and standards
- To maintain standards in line with current best industry practice
- To provide adequate training and development of all staff to ensure they are capable
- To assess the capability of suppliers and sub-contractors employed by the Company and only use those known to meet quality requirements
- To monitor quality performance by audits, reviews of complaints, non-compliances and measurement of customer satisfaction to ensure required standards are maintained and to identify areas where corrective or preventive actions are required
- To set objectives, targets and programs with a view to continual improvement of the Quality Management System and services provided.

Senior Management team will share the responsibility for maintaining the overall operation of the Quality Management System.

Overall responsibility for the quality management system will be held by the Managing Director

Senior Management shall further ensure that this policy is:

- Communicated to all staff and other interested parties.
- That the Policy and the Quality Management System are reviewed on an annual basis as a minimum to ensure they are up to date, effective and meet the overall objectives towards quality.
